Association  
of Urology

## Friday, 24 November 2017

### Hot topics in Andrology: When clinics meet science in Malmö

#### 08.30 - 08.35 **Welcome and introduction**

A. Giwercman, Malmö (SE)  
J. Sønksen, Herlev (DK)  
N. Sofikitis, Ioannina (GR)  
J. Rassweiler, Heilbronn (DE)

#### 08.35 - 10.35 **Male infertility-Male endocrinology session**

#### 08.35 - 09.35 **Part A: When one testis suffers both testes cry/the bilateral testicular dysfunction due to the development of unilateral testicular disease: Implications in the therapeutic management of unilateral testicular disease**

Chairs: J. Rassweiler, Heilbronn (DE)  
M. Dinkelman-Smit, Rotterdam (NL)

#### 08.35 - 08.55 **Bilateral testicular dysfunction in men with left varicocele or in boys with unilateral cryptorchidism**

W. Aulitzky, Vienna (AT)

#### 08.55 - 09.15 **Bilateral testicular dysfunction in males with unilateral testicular cancer**

F. Fusco, Naples (IT)

#### 09.15 - 09.35 **Contralateral testicular dysfunction after unilateral testicular torsion: Fact or fiction? How can we protect the contralateral testis?**

P. Verze, Naples (IT)

#### 09.35 - 10.35 **Part B: Pharmacological alleviation of male infertility**

Chairs: V. Mirone, Naples (IT)  
Z. Kopa, Budapest (HU)

#### 09.35 - 09.55 **Is there a role of employment of a hormonal treatment in the oligoasthenospermic men with eugonadotropic hypogonadism?**

T. Diemer, Giessen (DE)

#### 09.55 - 10.15 **Can PDE5 inhibitors serve as an adjunct tool in the treatment of oligoasthenospermia/Effects of PDE5 inhibitors on the male genital tract outside the corpora cavernosa**

F. Dimitriadis, Thessaloniki (GR)

#### 10.15 - 10.35 **Administration of antioxidants in the management of oligoasthenospermia: Therapeutic cellular targets and biological risks**

N. Jørgensen, Copenhagen (DK)

**10.35- 11.05** Coffee break and poster viewing

**11.05 - 13.05** Session on erectile dysfunction and ejaculatory dysfunction

**11.05 - 12.05** Part A: What the urologist should know about ejaculatory dysfunction?

Chairs: A. Kadioglu, Istanbul (TR)  
F. Fusco, Naples (IT)

**11.05 - 11.25** Treating anejaculation in SCI men – A “happy ending” story

J.Sønksen, Herlev (DK)

**11.25 - 11.45** Diagnostic flow chart for premature ejaculation

O. Apolikhin, Moscow (RU)

**11.45 - 12.05** Does evidence-based medicine support the employment of pharmacological or non-pharmacological ways to overcome premature ejaculation?

A. Faix, Montpellier (FR)

**12.05 -13.05** Part B: Alleviating or preventing erectile dysfunction

Chairs: C. Bettocchi, Bari (IT)  
D. Ralph, London (GB)

**12.05 - 12.25** Management of sexuality including erectile dysfunction after prostatic surgery

A. Salonia, Milan (IT)

**12.25 - 12.45** Shock waves therapy for erectile dysfunction: Where we are today?

S. Minhas, London (GB)

**12.45 - 13.05** Surgical Treatment of priapism: When and how?

A. Kadioglu, Istanbul (TR)

**13.05-14.05** Lunch and poster viewing

**14.05-15.05** Penile surgery in 2017

Chairs: A. Kadioglu, Istanbul (TR)  
O. Apolikhin, Moscow (RU)

**14.05 - 14.25** Penile transplantation: Donors, recipients, surgical thoughts and human philosophy

D. Ralph, London (GB)

**14.25 - 14.45** Surgical secrets securing for an efficient and safe placement of penile prosthesis

C. Bettocchi, Bari (IT)

**14.45 – 15.05** Penile augmentation in 2016: 10+5 Pre-operative considerations and post-operative satisfaction

E. Ruiz-Castane, Barcelona (ES)

**15.05-15.30** New research from our “young brains”

Moderator: J. Sønksen, Herlev (DK)  
(Discussion with young participants from the audience on their ideas that will promote research in Andrology)

- 15.30–15.45 Progress report for the ESAU-RU post docs/scholarships**  
Moderators: A. Giwercman, Malmö (SE)  
V.Mirone, Naples (IT)  
J.Rassweiler, Heilbronn (DE)  
(Discussion with the scientists who have been awarded the ESAU-ReproUnion scholarships)
- 15.45–16.15 Coffee break and poster viewing**
- 16.15–17.30 Urgent need for changing the routines for management of the male in infertile couple**  
Chair: N. Skakkebaek, Copenhagen (DK)
- 16.15–16.25 Traditional management of males in infertile couples**  
W. Weidner, Giessen (DE)
- 16.25–16.35 Can more careful management of subfertile man lead to improved results of assisted reproduction?**  
Z. Kopa, Budapest (HU)
- 16.35–16.45 Risk of testicular malignancy in subfertile men**  
J. Slowikowska-Hilczer, Lodz (PL)
- 16.45–16.55 Long term morbidity in males with fertility problems**  
S.Kliesch, Münster (DE)
- 16.55–17.30 Round table discussion**

## **Saturday, 25 November**

### **Hot topics in Andrology: When clinics meet science in Malmö**

**08.30 – 09.00 Testosterone and male quality of life**

Chairs: S. Minhas, London (GB)  
S. Kliesch, Münster (DE)

**08.30-08.45 Randomized controlled trials on testosterone supplementation**

G.Dohle, Rotterdam (NL)

**08.45-09.00 Testosterone and FSH – different hormones with similar effect on spermatogenesis?**

I. Huhtaniemi, London (GB)

**09.00 – 10.00 Poster session**

Chairs: A. Giwercman, Malmö (SE)  
J. Sønksen, Herlev (DK)  
G. Dohle, Rotterdam (NL)  
F. Fusco, Naples, (IT)  
N. Sofikitis, Ioannina (GR)

**10.00 - 11.00 Testicular cancer session: Questions for the urologists and the basic scientists**

Chairs: A. Salonia, Milan (IT)  
T. Diemer, Giessen (DE)

**10.00-10.15 Salvaging male reproductive potential in males with unilateral testicular cancer: Freezing haploid or diploid male germ cells and when?**

A. Giwercman, Malmö (SE)

**10.15-10.30 Following up men with unilateral or bilateral testicular microcalcifications**

M. Dinkelman-Smit, Rotterdam (NL)

**10.30-11.00 Induction of male meiosis and spermiogenesis in Vitro: Are we ready to develop an artificial testis?**

N. Sofikitis, Ioannina (GR)

**11.00 - 11.15 Closing remarks**

A. Giwercman, Malmö (SE)  
J. Sonksen, Herlev (DK)  
N. Sofikitis, Ioannina (GR)  
J. Rassweiler, Heilbronn (DE)
